

## Administrative Order

**Administrative Order No.:** 10-6

**Title:** Delay Implementation of Windload Testing and Impact Test for Windborne Debris for Storm Shutters

**Ordered:** 4/21/1994

**Effective:** 4/21/1994

### **AUTHORITY:**

Section 4.02 of the Metropolitan Dade County Charter and Section 2315.5 of the South Florida Building Code, adopted pursuant to Chapter 8 of the Code of Metropolitan Dade County, as modified by Ordinance 93-141.

### **POLICY:**

This Administrative Order delays the implementation of the wind load testing and impact test for windborne debris, Section 2315 of the South Florida Building Code, for storm shutters until September 1, 1994.

### **APPLICABILITY:**

This Administrative Order shall be countywide in application. After September 1, 1994, storm shutters under Section 2315 of the South Florida Building Code must be tested in accordance with Dade County Protocol PA 202-94 (Uniform Static Wind Load Test). Storm shutters shall additionally be tested in accordance with Dade County Protocols PA 201-94 and PA 203-94. A proposed ordinance amending the South Florida Building Code addressing the intent of this Administrative Order is being submitted for approval.

This Administrative Order is hereby submitted to the Board of County Commissioners of Dade County, Florida.
